

ask the staging coach

Are you a home staging professional looking for ways to grow your business or guidance on how to enhance your services?

Ask the Staging Coach™ can help you achieve your business goals:

We offer one-on-one coaching in the following areas:

- Marketing your staging business- how to find your niche and grow business relationships.
- Growing your staging business- how to develop a staging team and find new streams of revenue for your business.
- Staging for vacant properties- how to develop this staging service for property investors, home sellers and builders.
- Staging the resale home- how to focus on the providing top tier services to clients in furnished homes.
- Staging Business Practices- Learn how to make your small business run efficiently and determine the business forms and documents you need to reach your goals.
- We also offer individualized plans for the needs of your small business.

Why select Ask the Staging Coach™ for your Business Support Needs?

- We offer you individual support on a one-on-one level that is targeted to the needs of your small business in your local area.
- It is affordable- There is no need to travel and stay in a hotel. You learn at your home or in your office.
- We work with your schedule- As a small business owner you do not need to take hours or days away from your business to travel to a seminar or class.
- You be mentored by home staging professionals that are working hands-on in the home staging industry and running successful home staging businesses.

What are the fees for Coaching Services?

- Since we create a plan that works best for you, we do not have set fees or programs to choose from.
- Contact us with a description of your business needs and we will create a custom proposal for you.

Who is the Staging Coach?

Ask the Staging Coach™ was founded by Kate Hart, President of [Hart & Associates Staging and Design](#) and the Hart Staging Network, the East Coast's premier staging firm.

Kate has personally trained and mentored thousands of staging professionals and Realtors through her classes for a national staging training company and her speaking engagements for national and local real estate associations and schools.

Her work has been featured on HGTV television and radio, CNN Headline News, The Fine Living Network and dozens of national and local radio shows, newspapers and magazines. She is a frequent contributor to books on the staging industry and her book on running a successful home staging business is in the works.
